NEWWALL

A hand sculpture, possibly made of ceramic or stone, is shown holding a red sphere. The hand is positioned in the center of the frame. A circular inset is placed over the hand, showing a close-up of a ceramic tile with a complex, multi-colored geometric pattern. The background is black, and there are some white, abstract shapes on the right side.

A modern hotel lobby featuring a large, white marble wall with gold veining. A reception desk with a dark grey base and a white marble top is in the foreground. On the desk, there is a silver Apple iMac, a stack of books including one titled 'TERRAS SONS', and two small potted plants. The background wall is composed of large marble panels. Several cylindrical pendant lights with black and gold finishes hang from the ceiling. A dark grey pillar is visible on the left side of the frame.
