NEWWALL

the new frontiers
of ceramic tile from
(india).

NEWWALL

new style, new beginnings

**WE MAKE
TILES THAT
MAKE A
DIFFERENCE
IN A SPACE.**

NEWWALL was founded in 2006. We manufacture products which are powered by next generation technology.

High quality material combined with unrivaled technology has enabled us to re-interpret some of the rarest, most refined and valuable products of nature, while also enhancing their technical and qualitative properties.

Our products suit indoor and outdoor spaces no matter what you have in mind. They stand out and dazzle you because each of our tiles are inspired by the latest trends in the worlds of interior.

A stack of five smooth, dark, wet stones is centered in the image. The stones are covered in water droplets and are placed on a wet, reflective surface. A fresh rosemary sprig lies horizontally across the base of the stone stack. The background is a light, neutral color with a diagonal grey band in the upper right corner. The entire scene is reflected in the wet surface below.
